The Election

The election in which Hon H. St. George Tucker was elected yesterday to Congress from this district was a very quiet one. There was no opposition and the vote was hard to get out on that account—people in town refusing to go to the polls in many cases. There was about one-third of the Democratic vote polled in the county Many of Mr. Tucker's old friends remember that he represented the district in Congress 25 years ago. At the Democratic primary next August he will be a candidate to succeed himself as we are advised by his friends.

Our State Highway

The Legislature passed a bill amending the State Highway laws and have a fixed law now to which the Commission can not add but a very limited number of miles thereto. Senator Ferguson and Delegate Horsely were able to get about six miles of road added to the system for this county—from Appomattox through Surrender grounds to Vera. Our road is designated as section 10, and reads as follows: Virginia Beach, Norfolk Suffolk, Smithfield Curry courthouse, Petersburg, Blackstone, Nottoway, Farmville, Appomattox, Lynchburg, Bedford, Roanoke, Salem, Christiansburg, Dublin, Pulaski, Wytheville, Marion, Abingdon, Bristol, Gate City, Stickleyville, Pennington Gap, Ben Hur, Jonesville, Cumberland Gap, with a connection from Abingdon, Greendale, Hansonville, Bolton and to route elevee in Russell county, with a direct connection from Hansonville to Lebanon with a connection from Appomattox to Vera through the surreader grounds.

The route surveyed through this county by the Commission does not follow the old road but makes many changes, to which there are some objections but the matter has not been definitely settled. The money for road work will be considered at a meeting of the Commission early in April The The citizens of this county will welcome any move looking to road improvement.

Prizes for Appomattox and Buckingham Boys

The following boys of Appomattox and Buckingham counties have been awarded prizes in the Sweet Clover Contest, offered through the Chamber of Commerce of Lynchburg.

APPOMATTOX COUNTY

Eugene Carson Appomattox, $15; Allen Gilis Appomattox, $10; Asher Howarton Spout Spring, $10; Carroll O'Brien Appomattox, $5

There were 10 acres sowed but Mr. Byrnes' seed for county was held up for some three weeks by the State Agricultural Department of Richmond owing to not being tagged. The drought was very severe in Appomattox. All of the boys who sowed the sweet clover alone got a fair to good stand while all who sowed it with grain have a failure.

BUCKINGHAM COUNTY

Thomas Eldridge Wiley, Va., $15; Clyde Dowdy Sheppards, $10; Elwood Patterson Dillwyn, $10; Charles Ellis Wiley, $5; Richard Ellis Wiley, $5; John Eldridge Wiley, $5; Wm. G. Smith Dillwyn, $5; Ben Davis Dillwyn, $5; Creed Dowdy Enonville, $5; McKenna Ayres Ranson, $5; Harry Stitonks New Canton, $5; Whitcomb Rosen Alcorn, $5; Walter Cole New Canton, $5.

Prayer of Factory Employes

Harding is my shepherd, and I am in want; he maketh me to lie down on park benches; he leadeth me beside free soup houses; he restoreth my doubts in the Republican party; he leadeth me in the paths of destruction for his party's sake. Yea, though I walk through the valley of the shadow of starvation, I do fear evil, for thou art against me, thy politicians and profiteers they do frighten me Thou preparest a reduction in salaries before me in the presence of mine enemies thou anointest my income with taxes, my expense overruneth my income. Surely unemployment and poverty will follow me all the days of the Republican administration and I will dwell in a rented house forever —Exchange.

Buckingham

It is difficult to grow old gracefully. Sometimes we see persons of both sex lovely in old age To see a lady whose hair is white with the frost of age smiling and content with her lot in life, cultivating cheerfulness, saying a kind word at each opportunity to some one, adding a smile of approval where possible, taking a bright and optimistic view of things, I say, to see all this in a woman is just beautiful and we do see such a one some times. To see an old man who rejoices to be with young people, taking an interest in what they do and say, adding a kind word, giving a timely hint, keeping himself unspotted from the world of sin, I say to see such a man is liking seeing "Apples of gold in pictures of silver". Sometimes in human nature we see the reverse of these two descriptions, but they are not pleasant to see, they are not pleasant to write about nor to read about and so we pass on.

I want to thank the reporter of the Lynchburg News for an expression he used and it was this: He was reporting a speech in which the speaker after alluding to the short dresses young ladies now wear added this: We love them all and the more we see of the young ladies the more we love them, and the reporter's comment was "The speaker had spoken in a trivial way about a very serious matter". I rejoice to see so many of the dresses longer, so many of the shoes with lower heels and broader toes, and it makes one tired to think of the painful corns that the girls who have worn such tight and narrow shoes will have on their feet

There was an unusual small attendance at circuit court here on the 14th Even the horse traders were conspicuous by their absence, indeed very little business went on of any kind on the court green and in court a man was on trial the 1st day of court for violating the revenue laws and he was acquitted the cases tried the remaining days of court were on the civil docket. The case of Ellis vs. Terrill was put off until the May term of circuit court

The public school examinations will be held here on April 28th and 29th It has become a custom for the graduates of the high school here, or rather those who expect to graduate to take this examination.

Seed oats are cheap and farmers would sow good crops of them, but the land has kept so wet that they could not sow them. Wheat crops in this county are looking well. Flour is retailing at $9 and $9 50 a barrel, live hogs selling on the local market for 8c a pound. I saw a sale of some hogs last week that were purchased two months ago at $5 each and they had been fed as much as they needed of the very best foods and they only brought $10 each the profit didn't pay for the feed and nothing was to go for handling them and feeding them It is to be hoped that the frosts we had last week will keep the fruit trees from budding too early.

Dr. Lacy was on hand to fill his appointments last Friday, Saturday and Sunday.

Farmers are getting some eggs too late now that the prices have come down to 12 and 15 cents for the past week at the local stores

At present there are 18 school trustees in Buckingham and under the law as it now stands there will be only six trustees, and there will be no more district school boards but one county school board.

News has just reached here of the death of C. D. Denton, which took place in a Richmond hospital. Mr. Denton was a prominent merchant in Buckingham His death caused surprise as he was in usual good health up to a few days ago).

Place your order for Dodge cars now. They are going to be scarce. Touring $965, Roadster $930 delivered prices at Appomattox, Va.

Well we are still "mud bound" around here—one old gentleman on being asked how were the roads said he hadn't seen them lately; he thought may be they were very good down below the mud.

Some of the farmers took advantage of the few good days we had and sowed their plant beee.

"I Have Lost The Receipt"

Thus spoke the man who was asked to settle a bill that he claimed to have paid a month previously. He had placed the receipt in his pocket with other papers and now could not find it.

He had paid cash, so could do nothing except pay the bill a second time.

That man learned a lesson from this incident—he now pays all his bills by check. In case of dispute about a paid bill, he can now use his cancelled checks as proof of payment.

Do you pay by check? It is the safe and businesslike way.
